January 30, Special Artist: Jennifer Palor

BERTS' BAR

A certain mysticism shrouds her voice --- fine like a flute but with lavish intensity that stirs the emotions. Jennifer is a youthful muse of music with a graceful bearing, a powerful chameleon of a voice and a beauty to behold.

Jennifer has taken Hong Kong and Asia by storm over the past several years with her exciting voice and incredible live show performances. This young filipina beauty is recognized today as one of Asia's leading contemporary jazz vocal artists. She's performed in prestigious clubs and is indeed a favorite on the jazz circuit across the continent with a fan base that spans the globe.

Her impressive style blend refreshing, unconventional jazz sensibilities mixed with a modern urban feel, creating her very own distinctive sound that made her one of the most sought-after vocalist in Asia. Jennifer just released her debut album entitled - "Jenerations" to widespread critical acclaim.
